¹Although in the Court's observation, all the attorneys in this case have been admirable in their conduct and diligent in their efforts, it is only with very great reluctance that the Court grants this Motion. The ancient maxim "justice delayed is justice denied" continues to ring true. Lord William E. Gladstone *quoted in* HANDBOOK FOR JUDGES 36 (Donald K. Carroll ed. 1967). The COVID-19 pandemic is behind us and the resulting employment actions being challenged have ceased. The timely resolution of this case will benefit everyone, including the Court.
